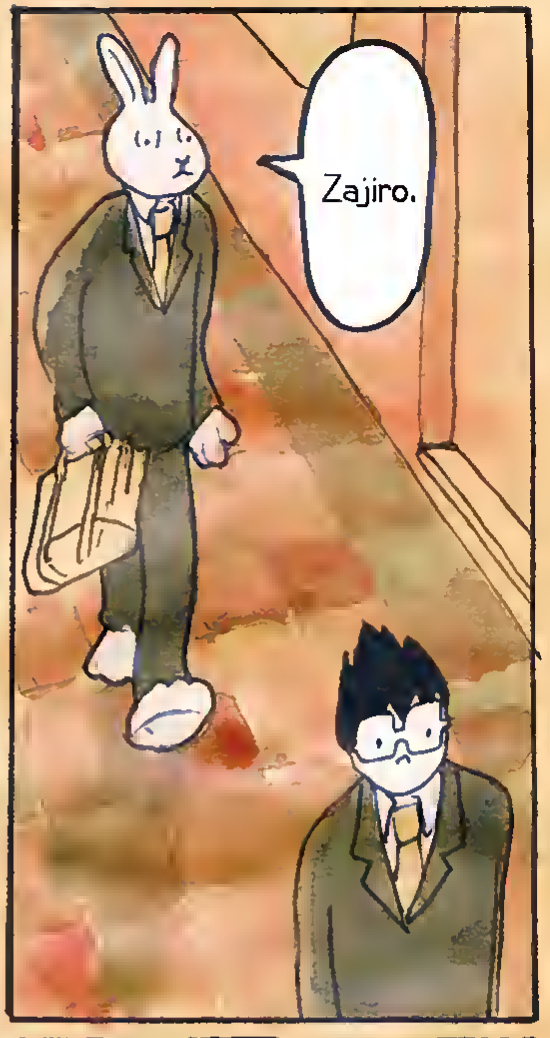
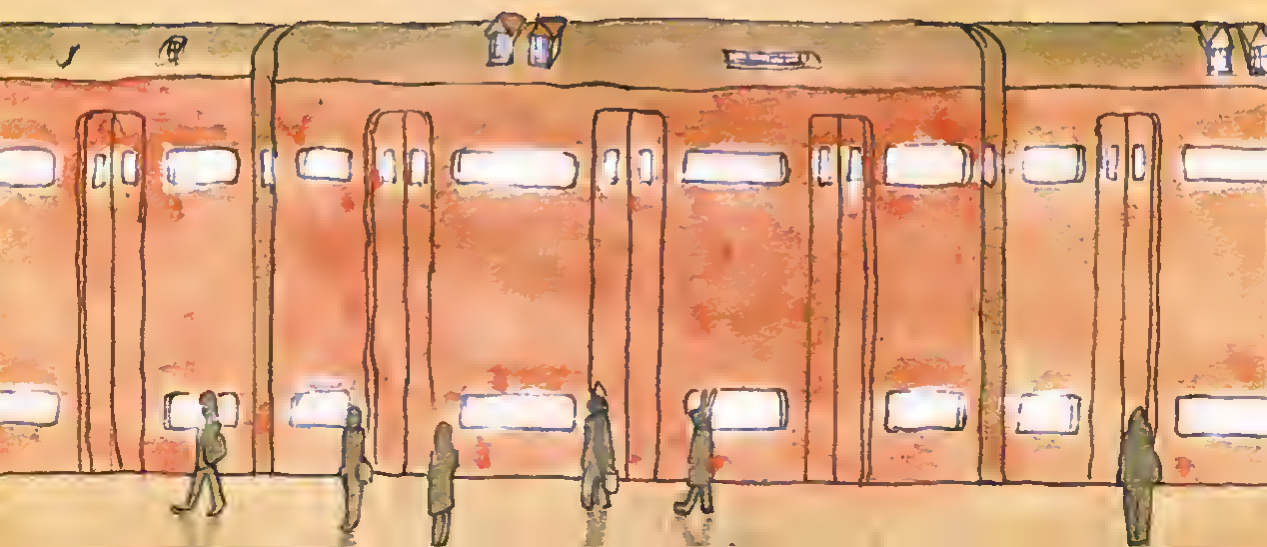
Ah, Usagi.



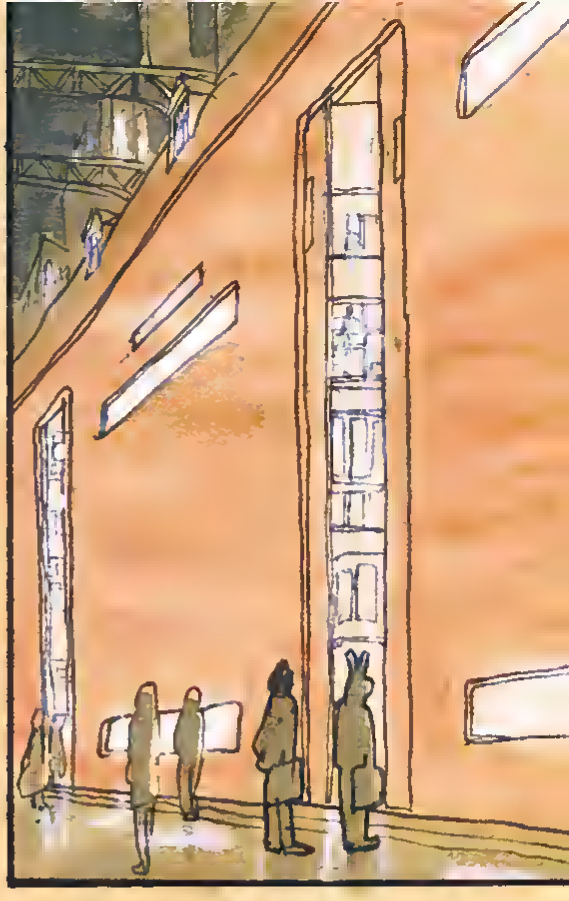
Zajiro.

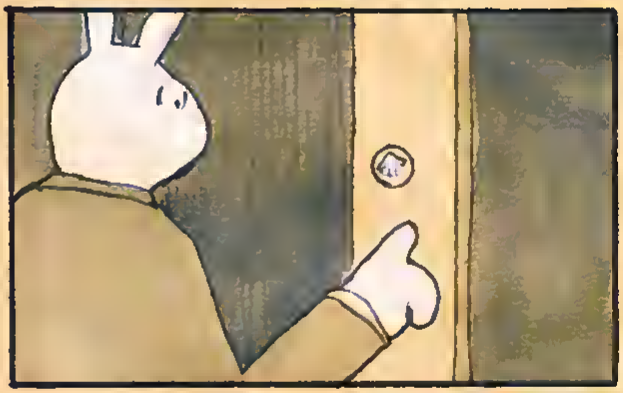
Maybe, do you... want to stop by somewhere with me today?

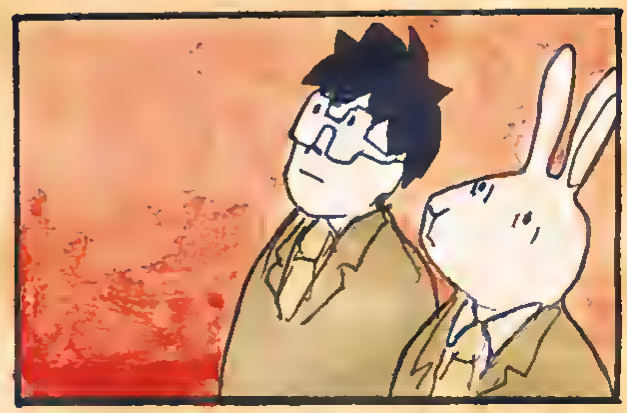
RCU



You really know a lot of stores, Usagi.



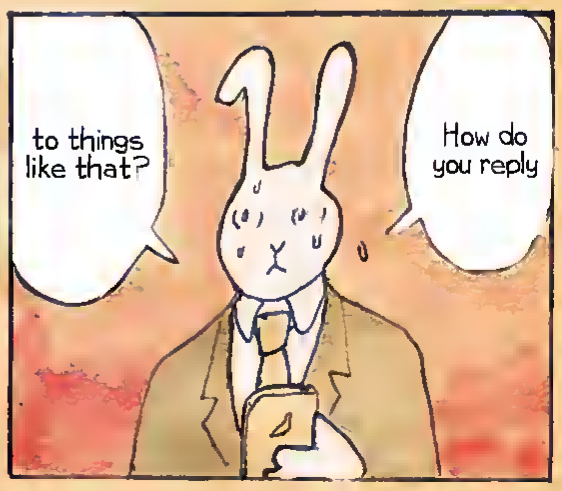




Ahh.
I've been getting more and more followers.
So lately,
This one seems to be a highschool student, but they sent this to me.

@zajirogh
I went to the world that you drew It really exists Can you tell me the exact details of how to get there?

Well,
They're scary so I ignore them all.



How do you reply
to things like that?
